Application for family reunification of spouses

Uses

This application form is to be used to apply for family reunification in Denmark.

A foreign national (the applicant) can be granted a residence permit in Denmark on the grounds of family reunification for spouses if he/she has his/her spouse or cohabitating partner in Denmark.

This application form should be used when the spouse/cohabitating partner in Denmark is a Danish or a Nordic citizen or has a residence permit in Denmark on other grounds than asylum. If the spouse/cohabitating partner in Denmark has a residence permit on the grounds of asylum, application form FA10 should be used instead.

What does the application form contain?

This application form contains two parts:

- Part 1 - Application for family reunification of spouses in Denmark.
- Part 2 - Information form for the applicant's spouse/cohabitating partner in Denmark.

How do you use the form?

In order to apply for family reunification of spouses, part 1 and part 2 must be submitted.

Part 1 is to be used by the person who is applying for a residence permit in Denmark (the applicant). He/she must:

- Fill out part 1.
- Attach required documents.
- Submit the application to a Danish diplomatic mission abroad (embassy or consulate general) or to the Danish Immigration Service.

Part 2 is to be used by the spouse/cohabitating partner who already has the right to live in Denmark. He/she must:

- Fill out part 2 and the relevant attachments.
- Attach the required documents.
- Submit part 2 to the Danish Immigration Service no later than 14 days after part 1 has been submitted.

Read the instructions on the first page of each part of the form.

There is a checklist at the back of the two parts of the form that can be used to keep track of whether it has been filled out correctly and whether all the required documents have been included.

How we process personal data

You can read more about the processing of your personal data and your rights in the fact sheets about data protection which you will find at the back of part 1 and part 2 of the form.

This application form is also available in a digital version, FA1 online, that can be found at newtodenmark.dk. The digital application form adapts according to your answers and is automatically sent to the Immigration Service, when you have submitted it.

How can an application be submitted?

The applicant can submit the application at a Danish diplomatic mission in his/her country of residence. If the applicant already is a legal resident of Denmark, the application may normally be submitted in Denmark. Such is the case if the applicant:

- has a valid visa (short term),
- is exempt from visa requirements, or
- currently holds a Danish residence permit.

If the application can be submitted in Denmark, this can be done at the Immigration Service's Citizen Service. You must book an appointment before you show up at the Citizen Service. Read more about where the Immigration Service's Citizen Service has branch offices and how you book an appointment at www.newtodenmark.dk/visit-us.

The application can also be sent to the Immigration Service. Read more about where and how you can submit applications at newtodenmark.dk

Fee

Normally, you have to pay a fee to get your case processed at the Immigration Service. You can read more about the payment in section 1 of part 1 and at www.newtodenmark.dk/fee where you can also find the current fees.

If the applicant submits an application to a Danish diplomatic mission (embassy), you normally also have to pay a fee to the diplomatic mission. If the application is submitted to the diplomatic mission via a service company (outsourcing) you must also pay a fee to the company. The fees can vary. The individual diplomatic mission can also make further requirements, e.g. about passport photos or copies of the application. Find out more at the diplomatic mission's web page.

Can the applicant work while the application is being processed?

No. Applicants may not work in Denmark while the Immigration Service processes the application for residence permit. If an applicant already has the right to work in Denmark due to another valid residence permit, then the applicant maintains this right.

Family reunification of spouses under EU regulations

If the applicant wishes to apply for family reunification with a Danish citizen under EU regulations you have to apply at the Danish Agency for International Recruitment and Integration. Read more at newtodenmark.dk.

Processing of your application

The Danish Immigration Service has a maximum time limit for processing applications for family reunification. The application processing times are calculated from the date the application is submitted. You can see our processing times at www.newtodenmark.dk/us-times.

More information about the rules governing family reunification of spouses is available at newtodenmark.dk. If you have questions when filling out the form, you can also contact the Danish Immigration Service. See contact information at www.newtodenmark.dk/contact-us.

1. Fee

Normally, you have to **pay a fee** to submit an application for family reunification of spouse.

The fee covers the processing of your case. This means that the fee will not be refunded if your application is rejected. Furthermore, the fee will not be refunded if, during the processing of your case, you choose to withdraw your application. If you have not paid the fee your application will be rejected, which means that it will not be processed. If your application is rejected for any other reason, the fee will be refunded minus an administration fee. Read more about fees at www.newtodenmark.dk/fee.

How to pay

To pay the fee you have to complete the following steps in order:

1. Create a case order ID at with the case type '**Family reunification**'
2. Pay the fee. **Please note:** Certain applicants may be exempt from paying the fee. These persons must still create a case order ID.
3. Enter your case order ID in section 1.1 of this part of the form.
4. Enclose documentation of payment of fee.

If you have already created a case order ID and paid the fee, you can go directly to section 1.1. If not, you can read more about how to do it below.

How is a case order ID created?

Everyone can create a case order ID at newtodenmark.dk. You can create it at the relevant application page at www.newtodenmark.dk/you-want-to-apply/family. Choose the subtopic 'Family reunification' and then 'Spouse or partner'.

How is a fee paid?

You can pay the fee in several ways for example with a credit or debit card, from a Danish internet bank, in the bank or at the post office. At the page on newtodenmark.dk where you created the case order ID, you can choose how you wish to pay, and you can see which information is required when paying the fee. **Please note:** The fee must be paid no later than at the same time the application is submitted. In most cases, this means that the fee will need to be paid **before** the application is submitted. You **cannot** pay the fee at the Immigration Service's Citizen Service. Please **enclose** documentation of the payment e.g. a receipt from a transfer via your net bank or a receipt from your bank or a post office.

Who is exempt from paying a fee?

There may be special cases where you (the applicant) can submit an application for family reunification without paying the fee. This may be the case if your sponsor in Denmark has refugee status, is seriously ill or has a serious handicap. You may also be exempt from paying the fee if your sponsor has a child from a previous relationship who he/she is residing with or your sponsor sees the child on a regular basis. Furthermore, you may be exempt from paying the fee if your sponsor is a Turkish citizen who is economically active as an employee, self-employed person or service provider. At www.newtodenmark.dk/fee you can read more about who is exempt from paying the fee.

If you believe, you are exempt from paying the fee, please tick the box "I am exempt from paying the fee". When you create a case order ID, please state that you are exempt from paying the fee. **Please note:** if the immigration authorities decide that you are in fact not exempt from paying the fee, your application will be rejected, which means that it will not be processed. However, if you have paid the fee and the immigration authorities decide that you are in fact exempt from paying the fee, the fee will be refunded.

1.1 Case order ID

Please state your (the applicant) **case order ID**. The case order ID you state below must be identical to the case order ID stated when paying the fee. Below you can state any reasons you believe contradict the assumption that your marriage/cohabitation has not been entered into voluntarily by you and your partner.

Are you and your spouse/cohabiting partner closely related? By closely related we mean e.g. uncles and aunts, cousins, the children of cousins, cousins of parents and the grandchildren of grandparents' brothers and sisters. 13. Declaration of active participation in Danish language learning and integration into Danish society, in accordance with section 9(2) of the Danish Aliens Act

This declaration is intended to stress the importance of a good knowledge of the Danish language, Danish culture, and Danish society for new immigrants. The declaration is formulated especially for applicants who do not have prior knowledge of or particular qualifications for being familiar with the Danish language, culture and society.

In order for you to be granted family reunification you must fulfil the declaration that you will, to the best of your ability, actively participate in your own and your children's Danish language education and integration into Danish society. If you do not mark the declaration or in another way indicate and document that you accept the content of the declaration, it can influence your application for family reunification, and you must expect to get a refusal.

If you in another way have indicated to accept the content of the declaration you must attach documentation for this.

I declare that, to the best of my abilities, I will make active efforts to ensure that I and my children (if any) acquire

Danish language skills and integrate into Danish society. I therefore declare as follows:

- I will make active efforts to become self-supporting through gainful employment.
- I will make active efforts to learn the Danish language.
- I will make active efforts to acquire an understanding of the fundamental norms and values of Danish society.
- I will make active efforts to participate in the life of the community.
- I will participate actively in any integration programme I am offered.
- I will make active efforts to facilitate the integration of my children by cooperating with day-care centres, schools, etc. to ensure that they acquire Danish language skills as early as possible and that they receive instruction in assuming responsibility for their own learning.
- I understand that in order to obtain a permanent residence permit or citizenship, I must pass a Danish language test.
- I am aware that the DKK 61,709.34 (2026 level) guarantee normally lodged by my spouse/cohabiting partner in connection with my application for a Danish residence permit upon request will be reduced:
 - by DKK 12,341.87 (2026 level) if I within 6 months after I have registered with the Civil Registration System (CPR) pass a test in Danish at A1 level (or another Danish test at a similar or higher level).
 - by DKK 6,170.93 (2026 level) if I within 9 months after I have registered with the Civil Registration System (CPR) pass a test in Danish at A2 level (or another Danish test at a similar or higher level).
 - by DKK 6,170.93 (2026 level) - however the guarantee must constitute at least DKK 37,025.60 (2026 level) - if I pass a final Danish language test.
- I am aware that in Denmark principles apply such as the need for respect and for equal opportunities for girls and boys to develop; that adults are obliged to listen to their children; and that corporal punishment is prohibited. Moreover, I am aware that schools are subject to principles governing participation by students and parents in the decision making process and co-operation between parents and school.

The expected maximum processing time for applications for family reunification can be found at www.newtodenmark.dk/us-times. If your application is not correctly filled out or is missing documents, it can be refused, or the processing time may be longer. It is therefore important that you make certain that the forms are filled out correctly and that you have included the necessary documents before submitting your application.

We recommend using the checklist below before submitting the application.

Biometric features required on residence cards

If you submit your application in Denmark or in a country where Denmark has a diplomatic mission, you must appear in person to have your digital facial image and fingerprints (biometric features) recorded for your residence card.

If you submit your application at the diplomatic mission of a country with which Denmark has a representation agreement, you must appear in person to submit one facial image. Upon arrival in Denmark, your biometric features will be recorded for your residence card.

If you send your application by post or if it is submitted by a third-party such as a lawyer, you must appear in person to have your biometric features recorded **within a set deadline** from the application being submitted. If you reside in a country where Denmark has a representation agreement with another country's diplomatic mission, you must appear in person to submit one facial image **within a set deadline** from submitting your application. You can see the set deadline for recording of biometric features at www.newtodenmark.dk/residencecard.

When you appear to have your biometric features recorded or to submit your facial image, please remember to bring a photocopy of the first three pages of this application form. This will allow the immigration authorities to match your biometric features with the application. **Please note** if you refuse to get your facial image or fingerprints recorded in connection with submitting the application, your application will be **rejected**.

Please **bring your passport** or other form of travel documentation when having your biometric features recorded or when submitting your facial image. In addition to your biometric features, your signature will also be recorded. Facial images and fingerprints are stored on a microchip embedded in the residence card. If you are not physically capable of providing fingerprints, you are exempt from the requirement to be fingerprinted.

If you are in **Denmark** biometric features can be recorded at the Immigration Service's Citizen Service. You must book an appointment before you show up at the Citizen Service. Read more about where the Immigration Service's Citizen Service has branch offices and how you book an appointment at www.newtodenmark.dk/visit-us.

If you are to submit an application **abroad**, please note that you must check the website of the Danish Ministry of Foreign Affairs: 'Where to apply' at www.um.dk/en/travel-and-residence/where-to-apply for information as to where you may submit your biometric features. Please note that for many locations you must present yourself in person at a Visa Application Centre (VFS) and that you must book an appointment before you show up.

Note that Denmark does not have diplomatic missions in all countries of the world and that representation agreements have been signed with other countries. In such cases, you must seek relevant information from the representing mission, cf. above link.

Does your spouse have any children from a previous relationship, who are also applying for Danish residence permit?

Yes No

If **yes**, complete Attachment 2.

Normally, permission for family reunification cannot be granted if it is doubtful whether the marriage/cohabitation has been mutually agreed to by both parties.

If you and your spouse/cohabitating partner are closely related, the Immigration Service will consider it doubtful that the marriage/cohabitation has been entered into with the consent of both parties, unless special reasons suggest otherwise.

Below you can state any reasons you believe contradict the assumption that your marriage/cohabitation has not been entered into voluntarily by you and your partner.

Are you and your spouse/cohabitating partner closely related? By closely related we mean e.g. uncles and aunts, cousins, the children of cousins, cousins of parents and the grandchildren of grandparents' brothers and sisters. This also includes close

relatives of stepparents (by stepparents we mean individuals who act like a mother or a father without being a biological parent, e.g. foster parents).

Yes No

If **yes**, state how you and your spouse/cohabiting partner are related:

If **yes**, state any reasons you believe contradict the assumption that your marriage/cohabiting partnership has not been entered into voluntarily by both you and your partner:

2. About the marriage

PLEASE COMPLETE IN CAPITAL LETTERS

You only need to fill out section 2 if you are married. If you are not married, go directly to section 3.

Danish legislation requires that we determine whether:

- Your marriage is valid under Danish laws.
- The marriage is entered into at the will of both spouses.
- The marriage is pro forma, i.e. with the primary reason of obtaining a residence permit for you.

Please note: According to Danish law marriages conducted by proxy (where one or both spouses were not present during the ceremony) are invalid. Marriages conducted by a religious cleric and without legal authority are also considered invalid. Such marriages can therefore not be used as a basis for family reunification.

The questions below are intended to help us look into this. We ask these questions in all cases, and we only ask questions that can be relevant for processing an application for family reunification for spouses.

When did you first meet your spouse?

How did you meet your spouse?

If you and your spouse met on the internet, when did you meet for the first time in person?

Did you decide for yourselves that you should marry?

When did you first meet your cohabiting partner?

How did you meet your cohabiting partner?

If you and your cohabiting partner met on the internet, when did you meet for the first time in person?

State where and in which periods you have lived together:

7. Children from previous relationships living in Denmark

PLEASE COMPLETE IN CAPITAL LETTERS

Below are a series of questions about any children you may have from any previous relationships. The questions about children from previous relationships are asked to determine whether you are exempt from some of the requirements for family reunification of spouses (e.g. the collateral requirement).

If you have children from a previous relationship, please note that we may contact the other parent of these children in order to confirm the information you have given.

Do you have **children under the age of 18 from a previous relationship living in Denmark**?

Yes No

If **no**, go to section 8.A.

If you request that the Immigration Service **not** take your children from a previous relationship into consideration when processing your case, please state this below. If you state this, it will not be necessary for the Immigration Service to contact the other parent of your children from a previous relationship. However, you should note that the consequence will be that the Immigration Service will **not be able to exempt you from some of the requirements on the grounds of your children from a previous relationship**. In other words, you will be expected to meet all the normal requirements for family reunification. For example, you and your spouse/cohabitating partner must fulfil an integration requirement, you may not have received public assistance, you must have a suitably large residence and you must post a monetary guarantee.

I do **not** wish for the Immigration Service to take into consideration that I have a child from a previous marriage. I understand that this means that I normally will be required to meet all conditions for family reunification.

If you wish the Immigration Service to take into consideration that you have children from a previous marriage, please give your consent in section 7.A that the Immigration Service can pass on information that you are involved in an application for residence permit. This consent is given by signing the declaration below. In addition, you must fill in section 7.B with information about each of your children from a previous marriage.

7.A Declaration of consent for disclosure of information

PLEASE COMPLETE IN CAPITAL LETTERS

I hereby give my consent that the Immigration Service can pass on information that I am involved with an application for residence permit to the other parent of my children who resides in Denmark.

About sections 8, 9 and 10

There are some basic requirements that must be met in order to qualify for a family reunification for spouses in Denmark. The requirements are e.g. that the marriage must be valid. This is the reason why everyone has to answer the questions in section 1-7.

Normally, you and your spouse/cohabiting partner must meet a number of additional requirements in order for your spouse/cohabiting partner to qualify for a residence permit. Such requirements include that you fulfil an integration requirement, that you have a reasonably sized residence at your disposal and that you post a monetary guarantee. Sections 8, 9 and 10 ask questions relating to these matters.

Situations where certain additional requirements are not made

Everyone has the right to respect for private and family life. It is implied in article 8 of the European Convention for Protection of Human Rights and Fundamental Freedoms. Normally we will not put forward any other requirements than the basic requirements for family reunification if we assess that you do not live as a family in any other country. This can for instance be if you have **custody** or **rights to visitation** with a child under the age of 18 living in Denmark. It is a requirement, however, that visitation occurs and that the visitations have a certain extent.

If you are employed in a field listed on the **Positive Lists**, the Immigration Service can waive the 24-year requirement. If you would like the Immigration Service to take into account that your position is included on the Positive Lists, please fill out section 8.B and **enclose** documentation in the form of your academic diploma and employment contract, or an actual job offer. You can read more about which fields are included on the Positive Lists at newtodenmark.dk.

Determining whether you are exempt from the additional requirements for reunification with a spouse can be difficult. If you choose not to complete sections 8, 9 and 10, and the Immigration Service later determines that you are not exempt from the requirements, it will be necessary for us to obtain further information. This means that the processing time may be longer. Therefore, we recommend that you fill out sections 8, 9 and 10 regardless of your situation.

8. Employment, education and language skills

PLEASE COMPLETE IN CAPITAL LETTERS

Normally, it is a requirement for residence permit, that you and your spouse or partner meet an integration requirement. You meet this requirement together by meeting 4 out of 6 integration-related conditions. One of the conditions is not optional. Besides that condition, you will need to meet 3 out of 5 other conditions.

The 6 conditions are:

- You have passed the Danish language test 3, or a test that are equivalent to or at a higher level **or** have had fulltime employment or been self-employed for a minimum of 5 years, during which you have communicated to a significant extent in Danish (**must always be met** – not optional).
- You have had fulltime employment or been self-employed in Denmark for a minimum of 5 years.
- You have attended school for a minimum of 6 years, with at least 1 of the 6 years being secondary education.
- Your spouse or partner has passed a Danish language test 1 or an English test at B1 level, or another Danish or English test that are equivalent to or at a higher level.
- Your spouse or partner has had fulltime employment or been self-employed for a minimum of 3 years within the last 5 years.
- Your spouse or partner has passed an educational course with the duration of at least 1 year, at a level minimum equivalent to a Danish vocational education.

It is up to you yourselves to decide which 3 of the 5 optional conditions you want to include in to the assessment of whether you meet the integration requirement. Therefore it is only necessary for you to enclose documentation for your education and/or work, if you wish that those specific conditions are part of the assessment of whether you meet the requirement.

Read more about the integration requirement and the specific conditions at www.newodenmark.dk/integrationrequirement

9. Declaration regarding public assistance

PLEASE COMPLETE IN CAPITAL LETTERS

Normally, it is a requirement that you are able to support yourself if your spouse/cohabitating partner is to be granted a residence permit. This means that you cannot have received public assistance under the terms of the Active Social Policy Act (lov om aktiv socialpolitik) or the Integration Act (integrationsloven) for the last three years prior to the ruling of the residence permit (Aliens Act section 9 (5)). The requirement does not apply if the benefits are small, one-time benefits that are not related to assistance or benefits that are comparable to wages or a pension or the equivalent.

Examples of benefits granted under the terms of the Active Social Policy Act or the Integration Act, and therefore will have an influence on whether your spouse/cohabitating partner can be granted a residence permit:

- Social Security (kontanthjælp)

- Danish language profit (Danskbonus)

Below you must solemnly swear on whether you have received public benefits under the terms of the Active Social Policy Act or the Integration Act for the last three years regardless of the size of the benefit. Thereafter the Immigration Service will access if the benefit (if applicable) is covered by the self-support requirement.

If it is required that you are able to support yourself, your spouse's/cohabitating partner's residence permit can be revoked if you receive public benefits under the terms of the Active Social Policy Act or the Integration Act until your spouse/cohabitating partner has been granted a permanent residence permit.

Please note, the Immigration Service will obtain information from the income registry (eIndkomst) when the application is being processed regarding whether you have received benefits under the terms of the Active Social Policy Act or the Integration Act. If there is an inconsistency between your information and the information from the income registry, you will be asked to submit comments.

Furthermore you should note that you will be punished with a fine or imprisonment of up to two years if the information you have provided is found to be false (Criminal Code section 161, cf. Section 40).

Attachment 3 (in Danish only): De overførte betingelser for permanent opholdstilladelse

Hvem skal udfylde dette bilag?

Du skal kun udfylde dette bilag, hvis du har:

- permanent opholdstilladelse på baggrund af en ansøgning indgivet før den 11. april 2024, eller du har
- opholdstilladelse på baggrund af et stærkt tilknytningsforhold til Danmark.

Du skal altså **ikke** udfylde dette bilag, hvis du:

- er dansk statsborger,
- er norsk, svensk, finsk eller islandsk statsborger, eller
- har en permanent opholdstilladelse på baggrund af en ansøgning indgivet fra og med den 11. april 2024.

Hvorfor skal du udfylde dette bilag?

- Det er normalt en betingelse for ægtefællesammenføring, at du (ansøgerens ægtefælle/samlever i Danmark) opfylder en række betingelser, der er overført fra reglerne om permanent opholdstilladelse. Du skal udfylde dette bilag, for at Udlændingestyrelsen kan vurdere, hvorvidt du opfylder disse overførte betingelser.

Du skal opfylde følgende overførte betingelser fra reglerne om permanent opholdstilladelse:

- Du må ikke have begået kriminalitet (af en vis grovhed).
- Du må ikke have forfalden gæld til det offentlige, medmindre der er givet henstand.
- Du må ikke have modtaget offentlig hjælp (efter lov om aktiv socialpolitik eller integrationsloven) i de seneste 4 år forud for indgivelsen af ansøgningen om ægtefællesammenføring, og indtil ansøgeren vil kunne få opholdstilladelse.
- Du skal have haft ordinært fuldtidsarbejde eller været selvstændig erhvervsdrivende i Danmark i mindst 3 år og 6 måneder inden for de seneste 4 år, og forsat være i arbejde på det tidspunkt, hvor din ægtefælle får opholdstilladelse.
- Du skal underskrive en opholds- og selvforsørgelseserklæring.

Du skal også opfylde mindst 1 ud af 3 følgende supplerende betingelser for permanent ophold:

- Du skal have bestået medborgerskabsprøven eller have udvist aktivt medborgerskab i Danmark.
- Du skal have haft ordinær fuldtidsbeskæftigelse eller udøvet selvstændig erhvervsvirksomhed i mindst 4 år inden for de sidste 4 år og 6 måneder.
- Du skal have haft en årlig skattepligtig indkomst på gennemsnitlig 346.155,57 kr. (2026-niveau) eller derover de sidste 2 år.

1. Persongrupper, der har et stærkt tilknytningsforhold til Danmark

Har du opholdstilladelse i Danmark på baggrund af **tidligere dansk statsborgerskab** (indfødsret), **dansk afstamning** eller **tilhørsforhold til det danske mindretal i Sydslesvig eller Argentina**?

Ja Nej

Hvis **ja**, behøver du kun udfylde pkt. 2, 12 og 13.

2. Erklæring på tro og love om gæld til det offentlige

Du må ikke have forfalden gæld til det offentlige. Gæld er forfalden, når det tidspunkt, hvor det offentlige har krav på betaling af gælden eller dele heraf, er overskredet.

Du kan dog opfylde de overførte betingelser for permanent opholdstilladelse på trods af forfalden gæld til det offentlige, hvis den manglende afvikling af den forfaldne gæld skyldes, at der er givet henstand med gælden. Det er dog en forudsætning, at gælden ikke overstiger 140.432,76 kr. (2026-niveau).

Følgende typer gæld er omfattet:

- Tilbagebetalingspligtige ydelser efter lov om social service eller lov om aktiv socialpolitik.
- Forskudsvis udbetalt børnebidrag.
- Daginstitutionsbetaling.
- Tilbagebetaling af for meget udbetalt boligstøtte.
- Tilbagebetaling af boligtilskudslån.
- Skatter og afgifter (medmindre skatte- eller afgiftsrestancen skyldes forhold, der ikke kan lægges ansøgeren til last).

Det har ingen betydning, om der er aftalt en afdragsordning, som overholdes, da det ikke er det samme som henstand.

(sæt kryds)

A. Jeg **erklærer på tro og love**, at jeg **ikke** har forfalden gæld til det offentlige, som er omfattet af ovenstående gældstyper.

B. Jeg **erklærer på tro og love**, at jeg har forfalden gæld til det offentlige, som er omfattet af ovenstående gældstyper.

Hvis du har sat kryds i B, skal du nedenfor erklære på tro og love, hvis der er givet henstand med betalingen af din gæld, og du skal erklære på tro og love, hvor stor en gæld du har til det offentlige.

C. Jeg **erklærer på tro og love**, at der er givet henstand med betaling af min gæld. Bemærk, at afdragsordning ikke er det samme som henstand.

D. Jeg **erklærer på tro og love**, at min gæld til det offentlige udgør _____ DKK.

3. Fravigelse fra kravet om arbejde

Hvis du tilhører en af nedenstående ansøgergrupper, vil det overførte krav om arbejde blive fraveget.

Modtager du førtidspension?

Ja Nej

Hvis **ja**, skal du **vedlægge** dokumentation i form af kommunens afgørelse om modtagelse af førtidspension.

Har du nået folkepensionsalderen?

Ja Nej

Nedenfor skal du på tro og love erklære, hvis du inden for de sidste 4 år og 6 måneder år har haft en eller flere af disse typer arbejder og oplyse periode, arbejdstid og virksomhed. **Bemærk**, at du **ikke** skal oplyse om arbejde, som ligger længere tilbage end 4 år og 6 måneder.

Bemærk, at Udlændingestyrelsen i forbindelse med behandlingen af ansøgningen vil foretage opslag i SKATs indkomstregister, som indeholder de indkomstoplysninger, som fremgår af lønsedler eller af andre opgørelser. Hvis der er uoverensstemmelser mellem dine oplysninger og oplysningerne i SKATs indkomstregister, vil du blive partshørt om dette.

7. Erklæring på tro og love om modtagelse af offentlig hjælp

UDFYLDES MED BLOKBOGSTAVER

For at opfylde de overførte betingelser for permanent opholdstilladelse må du som udgangspunkt ikke have modtaget offentlig hjælp efter lov om aktiv socialpolitik eller integrationsloven inden for de seneste 4 år fra indgivelsen af ansøgningen om ægtefællesammenføring, og indtil dine ægtefælle får opholdstilladelse.

Du kan se eksempler på, hvilke ydelser der gives efter lov om aktiv socialpolitik eller integrationsloven under pkt. 9 i FA1b – den del af ansøgningskemaet, som du skal udfylde.

Du skal nedenfor erklære på tro og love, hvorvidt du har modtaget offentlig hjælp inden for de seneste 4 år uanset beløbsstørrelse.

Bemærk, at Udlændingestyrelsen i forbindelse med behandlingen af ansøgningen vil indhente oplysninger fra indkomstregisteret (eIndkomst), om hvorvidt du har modtaget ydelser efter lov om aktiv socialpolitik eller integrationsloven. B. Jeg **erklærer**, at jeg inden for de seneste 4 år fra indgivelsen af denne ansøgning om ægtefællesammenføring **har modtaget følgende typer af offentlig hjælp** efter lov om aktiv socialpolitik eller integrationsloven:

8. Indkomst

UDFYLDES MED BLOKBOGSTAVER

Du kan opfylde den supplerende betingelse, hvis du har haft en årlig skattepligtig indkomst på gennemsnitligt 346.155,57 kr. (2026-niveau) eller derover de seneste 2 år forud for tidspunktet, hvor der træffes afgørelse om ægtefællesammenføring.

9. Medborgerskab

UDFYLDES MED BLOKBOGSTAVER

Du kan opfylde den supplerende betingelse, hvis du **enten** har bestået medborgerskabsprøven **eller** har udvist aktivt medborgerskab her i landet gennem mindst 1 års deltagelse i bestyrelser, organisationer mv.

Medborgerskabsprøven

Medborgerskabsprøven er en skriftlig prøve, som afholdes 2 gange om året – i juni og i december. Prøven er udformet som en multiple choice-test og indeholder 25 spørgsmål om det danske folkestyre og hverdagsliv, samt om dansk kultur og historie.

På www.danskogproever.dk kan du læse mere om, hvor og hvornår medborgerskabsprøven kan tages, og hvordan du tilmelder dig prøven. På www.danskogproever.dk kan du også finde læremateriale til prøven.

Bemærk, at tidligere beståede medborgerskabsprøver fra før 2016 ikke opfylder den supplerende betingelse om medborgerskab.

Aktivt medborgerskab

For at opfylde den supplerende betingelse om medborgerskab ved at have udvist aktivt medborgerskab, skal du have haft mindst 1 års deltagelse i en bestyrelse, organisation eller lignende.

Det kan fx være som medlem af en forældrebestyrelse, en skolebestyrelse, bestyrelsen for en almennyttig boligorganisation, et integrationsråd eller et ældreråd.

Du kan også opfylde betingelsen, hvis du har deltaget i børne- eller ungdomsarbejde, fx ved at fungere som træner i en idrætsforening eller ved at gennemføre en dommer- eller træneruddannelse. Det samme gælder deltagelse i et højskoleophold, rollemodelarbejde eller engagement i andre organiserede fritidsaktiviteter for børn og unge, fx lektiehjælp.

Endelig kan du også opfylde betingelsen, hvis du i øvrigt har deltaget i almennyttigt organisationsarbejde, fx hvis du aktivt har deltaget i en forenings drift. De almennyttige foreninger kan fx være foreninger, der er tilskudsberettiget efter folkeoplysningsloven. Der vil dog altid være tale om en konkret vurdering.

Det er i alle tilfælde et krav, at der er tale om bestyrelser, organisationer, foreninger mv., som i ord og handling understøtter grundlæggende demokratiske værdier og retsprincipper i det danske samfund. Du kan læse mere om, hvordan du kan opfylde betingelsen om aktivt medborgerskab på www.nyidanmark.dk/permanent

Har du bestået medborgerskabsprøven?

- Ja (vedlæg dokumentation)
 Nej

Hvis **ja**, skal du **vedlægge** dokumentation for bestået prøve i form af prøvebevis udstedt af prøveafholdere.

Har du udvist aktivt medborgerskab ved at have haft mindst 1 års deltagelse i en bestyrelse, organisation eller lignende?

- Ja (vedlæg dokumentation)
 Nej

Hvis **ja**, skal du **vedlægge** dokumentation for dit aktive medborgerskab. Dette kan fx være i form af en udtalelse fra bestyrelsen eller organisationen. Det kan også være i form af beviser for uddannelse eller kurser, som du har taget i forbindelse med deltagelse i bestyrelses- eller organisationsarbejdet.

10. Handicap og eventuelle andre forhold

UDFYLDES MED BLOKBOGSTAVER

I det omfang Danmarks internationale forpligtelser, herunder FN's Handicapkonvention, tilsiger det, vil en eller flere af de overførte betingelser for permanent opholdstilladelse kunne fraviges.

Dette er fx muligt, hvis du har et handicap, der forhindrer dig i at opfylde en eller flere af betingelserne.

Har du et handicap, der forhindrer dig i opfyldelse af en eller flere af de overførte betingelser for permanent opholdstilladelse?

- Ja Nej

Hvis **ja**, hvilket handicap, og hvordan forhindrer det dig i at opfylde en eller flere af betingelserne?

Du skal **vedlægge** dokumentation – fx i form af lægeerklæring eller lignende – for, at du har et handicap, som bevirker, at du ikke kan opfylde de overførte betingelser for permanent opholdstilladelse.

Er der andre forhold, som Udlændingestyrelsen bør være opmærksom på i forbindelse med behandlingen af ansøgningen om ægtefællesammenføring?

Ja Nej

Hvis **ja**, hvilke forhold?

Du skal **vedlægge** relevant dokumentation.

11. Opholds- og selvforsørgelseserklæring

For at opfylde de overførte betingelser for permanent opholdstilladelse er det et krav, at du har afgivet nedenstående opholds- og selvforsørgelseserklæring. Hvis du **ikke** sætter kryds i erklæringen eller på anden vis tilkendegiver og dokumenterer, at du accepterer indholdet af erklæringen, kan det derfor få indflydelse på din ægtefælle/samlevers ansøgning om familiesammenføring, og du må forvente, at han/hun får afslag.

Hvis du på anden vis har tilkendegivet at acceptere indholdet af erklæringen, skal du vedlægge dokumentation herfor.

(sæt kryds)

Jeg erklærer herved, at jeg vil arbejde aktivt for at sikre min egen og mine herboende børns og ægtefælles/samlevers selvforsørgelse, aktive deltagelse i og bidrag til det danske samfund.

Jeg erklærer derfor følgende:

- Jeg vil på alle måder overholde den danske lovgivning og respektere de danske demokratiske principper.
- Jeg anerkender, at det danske sprog og kendskabet til det danske samfund er nøglen til en god og aktiv tilværelse i Danmark.
- Jeg anerkender, at de enkelte borgere og familier har ansvar for at forsørge sig selv.
- Jeg anerkender, at mænd og kvinder har lige pligter og rettigheder i Danmark, og at både mænd og kvinder skal bidrage til samfundet. Mænd og kvinder har således den samme ret – og i visse tilfælde pligt – til at uddanne sig og arbejde, ligesom mænd og kvinder har den samme ret til at deltage i demokratiske processer. Både mænd og kvinder har pligt til at betale skat og varetage forældreansvaret over for deres børn.
- Jeg ved, at det i Danmark er strafbart at udøve vold mod og ulovlig tvang over ægtefælle og andre, herunder børn.
- Jeg anerkender, at der i Danmark skal være lige respekt og udfoldelsesmuligheder for alle børn – både piger og drenge – så de kan vokse op til at blive aktive og ansvarlige medborgere, der er i stand til at træffe deres egne valg. Jeg vil sikre, at mine børn får den bedst mulige opvækst og skolegang samt, at de aktivt deltager i det danske samfund. Blandt andet vil jeg sørge for, at mit barn lærer dansk så tidligt som muligt og dygtiggør sig gennem skoleforløbet, og jeg vil samarbejde aktivt med barnets daginstitution eller skole.
- Jeg ved, at omskæring af piger samt brug af tvang ved ægteskabsindgåelse er strafbare handlinger i Danmark.
- Jeg respekterer det enkelte menneskes frihed og personlige integritet, kønnenes ligestilling og tros- og yringsfriheden, som er grundlæggende i Danmark.
- Jeg ved, at diskrimination på grund af bl.a. køn eller hudfarve og trusler og hån mod grupper på grund af bl.a. tro eller seksuel orientering er strafbare handlinger i Danmark.
- Jeg anerkender, at det danske samfund tager skarpt afstand fra terrorisme. Jeg ved, at den, som er vidende om, at der tilsigtes begået en forbrydelse, der medfører fare for menneskers liv eller velfærd eller for betydelige samfundsværdier, som udgangspunkt har pligt til at gøre, hvad der står i hans eller hendes magt, for at forebygge forbrydelsen eller dens følger, om fornødent ved politianmeldelse, og at
- undladelse heraf kan straffes med bøde eller fængsel indtil 3 år, hvis forbrydelsen bliver begået eller forsøgt begået.
- Jeg anerkender, at aktivt engagement er en forudsætning for at kunne deltage i og bidrage til det danske samfund, uanset hvor længe mit ophold her i landet måtte vare.
- Jeg ved, at rammerne for mit ophold i Danmark defineres af mit opholdsgrundlag, hvor der for nogle grupper i udgangspunktet er tale om et midlertidigt ophold.
- Jeg ved, at man som flygtning som udgangspunkt ikke har krav på opholdstilladelse, hvis forholdene i ens hjemland har ændret sig på en sådan måde, at beskyttelsesbehovet ikke længere er til stede, og man kan vende hjem. Jeg ved, at man som familiesammenført til en flygtning som udgangspunkt ikke har krav på opholdstilladelse, hvis den herboende flygtnings beskyttelsesbehov ikke længere er til stede. Jeg ved, at en midlertidig opholdstilladelse derfor kan inddrages eller nægtes forlænget.
- Jeg ved, at aktiv deltagelse, det at bidrage til det danske samfund og en indsats for at forsørge mig selv også kan være en styrke i forhold til at skulle vende tilbage til mit hjemland.

- Jeg ved, at man som herboende udlænding kan ansøge om økonomisk støtte efter repatrieringsloven til at rejse hjem til sit oprindelige hjemland eller tidligere opholdsland, hvis man på et tidspunkt skulle ønske dette.

Jeg er – som nyankommet udlænding – herudover bekendt med, at det for nyankomne udlændinge gælder, at: (nedenstående punkter er alene relevante for nyankomne udlændinge, der underskriver erklæringen)

- Jeg vil lære dansk og tilegne mig viden om det danske samfund hurtigst muligt. Jeg ved, at jeg kan lære dansk ved at deltage i den danskuddannelse, som kommunen tilbyder mig.
- Jeg vil arbejde på at blive selvforsørgende gennem deltagelse på arbejdsmarkedet hurtigst muligt. Jeg ved, at det kan hjælpe mig til at opnå ordinær beskæftigelse og blive selvforsørgende, at jeg deltager i de aktiviteter, som er beskrevet i min kontrakt med kommunen.
- Jeg ved, at forlængelse af min opholdstilladelse er betinget af, at grundlaget for opholdstilladelsen fortsat er til stede, og at man som flygtning som udgangspunkt ikke har krav på opholdstilladelse, hvis beskyttelsesbehovet ikke længere er til stede, og man kan vende hjem. Jeg ved, at man som familiesammenført til en flygtning som udgangspunkt ikke har krav på opholdstilladelse, hvis den herboende flygtnings beskyttelsesbehov ikke længere er til stede.

Jeg ønsker **ikke** at udfylde opholds- og selvforsørgelseserklæringen.
